**RE: UNITED STATES V. JUAN DONE, et. al.  
DOCKET NO.: 09-cr-00601 (JLL)  
REQUEST FOR ADJOURNMENT**

**VIA: ELECTRONIC FILING**

Honorable Judge Linares:

Please accept this letter in lieu of a more formal motion & brief. I humbly request that if anything is deficient, that we be given the opportunity to correct such discrepancy.

My wife has been in a battle with cancer for just over six years, she was recently diagnosed with two breast tumors, which

will be operated on May 9, 2012. We have six children and I will be required to be home through the end of the week.

I received via electronic notification a sentencing date of 5/11. I humbly ask and pray that the court allow me until June 1 2012 to appear for this sentencing and that I be allowed to submit my sentencing memorandum with objection by 5.9/2012.

Respectfully submitted,

Dated: 5/4/2012
